

SIGNKOR

(PTY) Ltd Reg. No. 2001/020690/07

We have been manufacturing signs since 1976. Our vast experience has resulted in us being able to offer Professional Full Turnkey Signage Solutions. Silverstar Casino and Gold Reef City have utilised our services for their External, Internal, Leased Franchises, Hotel, Directional, Disclaimer and safety signage.

We have recently partnered with Simplicit-e on the Duma rollout for Sun International covering 12 casinos.

Signkor is a company that's earned itself a reputation for producing excellent quality signage coupled with great customer service. No doubt, keeping with the latest technological developments in the signage industry, coupled with the commitment to quality has contributed to ensuring that Signkor is producing some of the best signage around. "At Signkor, we salute ongoing technology in our field and encourage creativity in line with growing trends". The success of the company is attributed to team work, in providing customer care with no compromise on service.

Innovative in supplying Full Led Displays, Graphic Walls and conversions of existing signs to LED's.

Exporting to Africa is not new to ourselves. Being SADC registered results in you acquiring the advantage.

Our BBEEE certificate can be viewed on our website www.signkor.co.za.
